**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need broadband competition, not a monopoly,

Save competitive telecom/broadband, my local broadband company gives away free access for schools and local governments. My local broadband company is important to me and my town and they will help keeping broadband prices from inflating.

We need more competition, not less,
