47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic fiber has been fantastic! Internet is fast and billing is easy-unlike our former provider-Att who nickels and dimes their customers at every turn.

We wholeheartedly support broadband competition which will continue to create an environment of competition and technological improvements. This will help prices down and improvements up. Sonics easy business model works! It allows our small business to continue running smoothly.
