**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC, I am a small business owner who fully support Broadband Competition.

SonicFiber is my fiber optic internet and phone provider and they provide great service at a price I can afford. Im a consultant in the technology industry and I need speed and reliability. SonicFiber provides both.

Stop allowing AT&T push / bully the competition out. They want to be the only game in town so they can raise prices and increase profits.

You have the power to stop this. Broadband Competition is Good. Monopolies are not!

NO MORE PRICE HIKES!!!!!!!!!!

Thank you for your consideration in this matter
