**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer that had just switched from AT&T to a small internet and telephone service provider.

We need regulation that does not favor the large company over the smaller provider. We must have competition in the market place to keep the price low for us the small consumer and business.

We had DSL before and fiber now. It is only possible if the regulation does not favor the big service provider over the small providers.
