**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic because they are the best priced in the area. I have been both an AT&T and xfinity customer and was constantly getting price increases and the bandwidth was terrible. I was constantly waiting for pages to load or emails to send. I work from home so it's imperative that I have the same speed that I'm getting now with Sonic.

Please do not make this change. It will hurt my work pace significantly.
