**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was previously an AT&T DSL customer and then switched to a competitive DSL provider. However the copper connection to my house was still operated by AT&T. They were horrible to deal with to keep my internet and landline working. When a competitive offer of fiberoptic service came to my neighborhood I jumped at the chance to leave AT&T behind. Don't force my back into AT&T's arms. They are more costly and provide worse service. Same my competitive broadband service! Sonic has been excellent in their service, building out a network for our entire section of the city. I would be lost without them.
