**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Not any industry does a lack of
Competition benefit the consumer. Moving to sonic was hand down the smartest financial decision
couple with the smartest decision in giving my family the best internet option there is in our area. I
am not happy with any type of initiative that takes away the opportunity for small businesses to
compete with the monopolizing large companies. Sonic gives us a low price rate and super fast
speed internet in a dead zone location that I received inept service from AT andT. Thank you.
