**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I love my local internet provider, the customer services and the prices and do not want this right taken away from me under any circumstances. This is a country where we have choices and I value that freedom. I do not endorse price hikes for phone or internet and like most people rely on internet and phone to run my business. Increasing prices places an unreasonable burden on businesses and entrepreneurs like myself.
