**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

i have recently had fiber installed through my ISP, Sonic. I had been with one of their competitors. Please continue to encourage open competition and an open internet for all of us consumers.

It is important that internet access be available to everyone without having a couple of large companies dominate pricing and access.
