**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please allow people the option to choose from a variety of internet providers. I was beholden to Comcast for high speed internet for many years. Sonic.net has given me more options, better quality, freedom from a single provider, all for a lower price.

Hard to believe for someone that lives in San Francisco, which you would think has many options for internet.

Please enable a platform that gives people access to make the best decision for themselves and their financial situation.

Competition keeps us, and companies honest...or more honest.

Thanks,

Kurt Fitterer
