**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer/home owner who supports broadband competition.

Today I have a broadband/fiber internet access with Sonic but previously I was connected with Comcast which was 1) very expensive and 2) very slow!

My broadband/fiber internet access also allows me to pay a competitive price for my land line telephone access as well.

Please say NO! to the deregulation that big telephone companies are seeking so they can levy a massive price hike on all broadband customers.

Respectfully yours,

Anthony Barlow
