**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

For our family having access to a cheap and competitive service provider is very important. My work relies on the internet and fast internet, and being able to afford a high speed for a low cost is very important. The service that AT&T provides is very bad and having an option to try a different company for similar prices but with better service is a huge advantage.
