**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I believe in supporting local business. I use a competitive provider here in Berkeley, Ca. LMI. I used to be a DSL customer but their customer service was awful. I support my local internet provider because their customer service is Awesome! They also provide my home phone service.

I oppose price hikes set by the other 2 providers in my area. ATT and Comcast did not provide a good product. That's why I no longer use either of these providers.

I oppose the USTtelecom petition.
