**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want to be served and serviced by local broadband provider in my area. I am extremely happy with my provider lmi.net who is based locally in Berkeley, California. I switched from big monopoly of ATT to my local provider 4 years ago and I can't be happier with this service. We need more companies and more competition with broadband services. Please DO NOT stop the competition in providing broadband by allowing ATT monopoly on everything including their overpriced services.

Thank you!

Sincerely,

Predrag Stevanovic
