**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was upset to find out about AT&T trying to drive out competition. Please dont let that happen.

We had AT&T before, but prices went up and our internet kept going down. We gladly switched to Sonic fiber network as soon as it became available and have been very happy as our connection is faster, we dont get the rebooting thing when trying to watch movies, and our internet no longer goes out and its cheaper!
