**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition in the cable and internet markets is so important! Having more than one option helps consumers and pushes companies to be creative and develop new products! Save competitive options!

I chose fiber internet for my home because it is competitively priced and I had two companies to compare options.
