**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Before Sonic, I was overpaying for slow ATT DSL internet service which was unreliable. I am now a very happy Sonic customer with 1GB line to my house for \$50 a month with no cap. ATT charges many times that price for 1GB service and with \$30 for additional for usage over 1TB. 1TB is only good a few 4K movies. ATT is gouging the customer and I want no part of them. Keep the competition in place!
