**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My competitive provider provides better service (both in bandwidth and customer service) than ANY large cable company I've worked with in the past 23 years. I was THRILLED to be able to work with a competitive provider that strives to be better, not just make more money. Lets ensure this competition continues to happen, lets not allow large companies to hike prices for less of a provided service or experience. My house hold uses our bandwidth daily as part of our lives (and at times livelihood) and my competitive provider allows me to do that at a competitive price. Keep broadband competition alive.
