**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a small business owner, I appreciate the service I get from my internet provider. Especially, as a former customer of AT&T and Comcast, I have found my service to be better through Sonic, my current provider. They have been supportive and caring as my internet provider and have given me way more for my money than I ever got with the bigger internet providers.

Please don't make it harder for these companies to provide the service that so many of us here in Northern California have come to depend on.
