**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I've appreciated Sonic Internet & Phone's service because as a local ISP, they provide to me the internet speeds I need to run my business using their fiber optic hardware (and all other hardware related). They also charge me the fairest prices. Comcast charges twice as much and AT&T charges the same but at a small fraction of the internet speed that I need.

Please do not remove access to critical unbundled network elements.
