**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Every once in a while we find a good company that provides an excellent service. We stayed with Comcast for more than 25 years, and it was a very difficult decision to cancel our ongoing contract with Comcast due to their poor customer service and never end price increase. More than a year ago, we contacted Sonic and to our pleasant surprise, their representatives, did everything above and beyond to win us as Sonics new customers. Since then, we have nothing but good words about their service. We recommended this company to our friends. We will certainly continue to recommend Sonic service to our friends and relatives.
