**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I cancelled my service with ATT in favor of a small, locally owned and operated company (LMI.net, based in Berkeley, CA) about six years ago, and I am so happy with my decision. I have found my current provider to be far more honest, fair, and responsive to any concerns and questions I have. The Internet that I receive through them is also more reliable. I am so grateful that I had a choice in Internet provider and would be absolutely incensed if that were to change. Competition is a key component of a healthy market. Please reject US Telecom's petition to limit the use of UNE's by independent providers.
