**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I thought America loved free enterprise. I just heard that my marvelous local provider may not be able to rent lines to give me internet and phone service! Any curtailment of my choices- and these small businesses is just plain wrong. I choose my small local company because of the incredible service they provide. I used to have Comcast and At&T and well, I felt treated like something those companies wanted to discard. The customer service was TERRIBLE. Now, I'm happy to experience the opposite with my small local ISP. Please! Let's keep choice in America.
