CC Docket No. 02-6

Request for Waiver

In accordance with Sections 54.719-54.72 of the Commission's Rules, Carbon County School District through its consultant, requests Federal Communications Commission (Commission) waiver of the decision of denial of appeal of Fund Year 2017 Form 471 Discounted Services Application including FRN's 1799054240, 1799054251, 1799054265, 1799054273, 1799054280, 1799054292, 1799054240. We ask the Commission to waive the decision to dismiss the appeal. SLD Issued a decision to deny the appeal based not having documentation to support the application. The original appeal #81837 was filed on 11/1/17 stating I was unable to upload all supporting documents into the EPC system due to a glitch in the program. My request to appeal the funding denial was subsequently denied My argument is that they were provided part of the requested documentation in the EPC system and a request was made to provide an alternative means to provide further documentation to allow for approval of the appeal decision and I was not given the opportunity to provide the additional documentation.
