**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Seriously? More competition.

If you believe in Science, realize that the evolution can only exist when there is competition in an ecosystem. Nothing can evolve and become better if there is nothing pushing it or furthering it. Why are we letting these monopolies grow? I want more choice.
