**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner, a photographer. Before I was able to get affordable fiber from my local broadband provider it would take me all night to deliver my high resolution photographs to my fortune 500 corporate clients. To remain competitive I needed to deliver more quickly. Thankfully our neighborhood was recently offered gigabit fiber through Sonic internet. Please don't let big telecom reduce competition and raise our rates. Please support broadband competition.
