**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I would like the ability to keep using my internet connection at a fair price. ATT is attempting to make this difficult, by limiting the choice of using other providers. My home internet connection is vital to my family's ability to contribute to society, make a living and enjoy connectivity. We do not want price hikes for our home internet as it is already expensive enough, and this would directly impact our expenses.

Please stop this company from taking more than they deserve.

Best,
Tim
