**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Hi,

I am an individual user and love that I had a choice in internet service here in San Francisco. Sonic offered a simple, more affordable package and has given great service. We depend on internet for so many things- if there wasnt access for competitive providers then my choice becomes whether or not to have internet at home. Thats not fair and possibly dangerous.

Thanks for listening.
