**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was a long time AT&T customer for more than 15 years, but I made the switch to other company because I did not like what AT&T is doing. They are trying to create a less competitive environment so customers have less choices, and therefore, raising the prices of their services.

Everyone agrees that competition in the business is essential in order to have a healthy market. It drives the prices down and creates various and continuous improvement in all aspects.

Say no to Monopoly!
