**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am in support of competitive Internet access and telephony providers, and I deny the USTelecom petition for forbearance! I am not in favor of price hikes that leads to the unnecessary increase in cost of internet service. Without competition, the sole internet providers become monopolies or oligopolies, and therefore can charge customers whatever they want because there is no other companies to compete against.
