**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who values a competitive market. I strongly feel that smaller businesses should have every opportunity to stand toe to toe with the large companies that dominate internet service. I want to truly have freedom to choose which provider better suits my needs, instead of being forced into one of two bad options because they have a near monopoly on the market.

Do not let big companies block access to the network elements that small providers need to expand their development and compete in the market.

Thank you.
