**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Before Sonic fiber internet came to my neighborhood, we were stuck with slow and unreliable Comcast internet service. Now we have a better, more reliable, and much more attractive offering: 1Gbps up and down, for \$50 a month. Please continue to allow companies such as Sonic to have access to all the necessary above-and-below-ground infrastructure they need to maintain the service.

Thank you,

Adam Steinberg
