47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I really love working with my local internet service provider, a competitive provider with AT&T. I have been with them for so many years and have no complaints. I would like to continue working with them at the price level I have been. I have fiber today and was previously connected with DSL. I Like the choice I have.

Please allow me to continue to have a competitive service provider. Makes a huge difference.
