**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Big telephone companies are seeking deregulation so they can levy a massive price hike on all broadband customers. Don't let this happen.

I chose a small provider who will be put out of business by AT&T if this regulation happens. Don't let it.

AT&T cheated me, and I don't want to do business with them. The other big companies have all cheated someone I know. I want to continue to do business with my independent internet provider. Please allow me to continue to do so.
