**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose sonic for its superior technology and service.

Without access to this infrastructure, Sonic is at risk of losing access to a huge portion of our customer base, leading to potentially higher rates, less fiber deployment, and even less options for consumers.

Please support smaller companies such as Sonic to keep large companies such as ATT from eliminating competition so they can increase rates and provide poor service.
