**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition because it helps give consumers choice. I know some neighborhoods in SF only have 1 cable and internet provider and that is a monopoly. This is unfair as xfinity charges whatever they want for service. Please let small companies like sonic be able to compete in the market!
