**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic.net has provided fast service at a relatively reasonable price in our area. Before choosing Sonic.net we had been disgruntled customers of an ATT internet service. We were less than happy with it, to put it mildly.

Now, we understand that ATT has petitioned the FCC to take away access to critical unbundled network elements. This will take away our good service and/or raise rates substantially.

Please reject this petition.

Sincerely,

Stephen Roddy
