**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I currently have fast, affordable fiber internet service through a provider I like and trust. My previous provider, one of the major networks, was more expensive, slower and had worse customer service. Allowing free competition has enabled me and many others like me to enjoy better service from our internet providers. Don't take that away from us.
