**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition and competitive fiber deployment. I want my local service instead of huge companies like AT&T. I want the competition to keep my rates lower. Ive had the larger DSL connections with the largest companies and the cost , service and speed was terrible! They continue to raise my monthly rates and being retired its causing a problem.
