**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are happy Sonic customers who support small, local providers for their customer service. Their service is competitive.

Broadband competition results in more options for consumers at competitive affordable prices. We want to see the FCC take action to keep broadband competition and competitive deployment in place.
