**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. It is important for us to have choices when comes to internet services. I signed up with Sonic years ago because they offered great internet service at a reasonable price. I do not want to be stuck with a monopoly provider as we had with phone service for many years.

Please do not interfere with the market place.
