**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a senior citizen, working part time, often from home. We recently signed up for Sonic, because we could not afford the cost of AT&T internet/phone. Sonic is expected to save us a lot monthly on these services, and improve the quality. We previously had a DSL service that over time started to fail to meet our needs, we wanted to switch to the fiber to increase the speed and capacity --- we sometimes have three people needing access to internet at the same time in our house-hold. Please do not take away Sonic's ability to offer these competitive services.
