**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I urge you to keep open access necessary to support single service providers like Sonic.
I was paying very high prices for my internet service, now thanks to Sonic, I have reasonable
pricing with much higher internet speeds. These speed allow me to use other suppliers of secondary
services such as Netflix and Amazon prime which provide competition for the bundled services such
as showtime and HBO> I believe this offers better service and price advantage to the consumer.
Thanks
