**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic broadband in Santa Rosa California has provided Brentwood California with the fastest and cheapest internet and phone service available. They are a small company that is eager to grow and continue to compete against the big companies. Let them compete.

The cost, price hikes and poor service provided by the larger companies shows why we need more competition not less.
