**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer of fiber optic broadband. My carrier is based in media, design and technology. Without fast affordable broadband service I would not be able to work from my residence or compete within my field.

The competitive market has given me option vital to my work and freed me from the unjust and abusive practices of Comcast. Please act to keep the broadband infrastructure open to the free market and available to market innovators like Sonic.
