**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Protect diversity and competition of the internet and telephone connections.

I've been a longtime user of Sonic and enjoy lower costs and better service since switching to Sonic. Keep the current policies to maintain access to unbundled network elements. This will ensure that Sonic. The last mile is critical to maintaining this choice for better service and product. To do otherwise, will leading to less choice and more expense.

Thanks,
