**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My son, who is a student in Berkeley, has reliable Internet access and a landline from a local provider, LMi.net, for less than what I am paying to AT&T for just Internet access in Mountain View, CA.

We want to urge you to allow local providers to continue to serve their communities, especially those with large student populations. We fully support broadband competition.

Sincerely,

Sik Lee Dennig
