**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I had Comcast service for years until I felt like an unappreciated customer.

I researched and found Sonic which has been great. Very professional and I am happy with my internet service.

Having the choice of providers has been a good experience with this issue. I believe competition in all markets is beneficial for all.
