**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My kids wanted to stream their own content at the same time. Our DSL at the time was woefully inadequate. Sonic's ability to bring fiber into my home at a competitive price allows me to keep the peace in my home while keeping my budget in check in San Francisco. AT&T was too slow to address customer demand. Please keep competition alive in America.
