**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in a rural area in Kansas. We only have the one option for broad band services. This company is allowed to hike their rates without leaving and option for consumers to find more affordable services. It seems s important that these companies aren't given the opportunity to have the monopoly on broadband services.

Thank you!
